# Result and Discussion

# Result and Discussion

# Result and Discussion

# Conclusions and Recommendation

- ❖ States which are community schools to administer the state funded SAT or ACT example Ohio. Increases the participation of both test.
- ❖ SAT school day and the cost subside of the SAT improve the result. It increase 25% SAT test takers.

# Recommendation

- High School education and Test Preparation so that students need to take the exam without adding burden to the family income
  - Education budget(local, state and stakeholders)
- Average score and Family Income?
  - Is there any possible Association??
- Success stories can be improve the students result

**THANK YOU**
